Guys - attached is our list of assignments. I've spoken to Charlotte and she is going to provide to you guys a) all those papers that she have already been reviewed here in odag and sent to jmd (charlotte has been trying to cc: the relevant oAG persons on those submissions to jmd); b) send the remainder of the completed ODAG papers to oag for its review; c) inform jmd that they will receive final papers from oag and therefore not be "reconciling" odag and oag edits.

Let me know if any of this does not make sense

All—We have a **hard deadline of Friday 2/11 COB** to get back to JMD on any edits to the attached papers. Please send any edits to me and Eric, or if you email them directly to Stephan Faherty in JMD, please cc us, so that we can keep track of the responses, and we also have a complete set of any ODAG edits in case there are questions later. Note that you should take a look even at the papers you authored, b/c OLP or others may have had comments. I've suggested assignments below, but please let me know ASAP if you think someone else should review.

Stuart and Lisa—Could you let me know who should review the general budget papers ---7, 15 A & B, 16, 26, 53, and 58? Note that a few of these are assigned to you below, but let me know if you prefer to have someone else vet.

Many thanks, Charlotte

OAG and ODAG,

Attached, for your review are the AG hearing papers for the March 1 House Appropriations Hearing. The deadline for your comments is **COB Friday 2/11**. Also attached is the current TOC and author list.

Unless you specified otherwise you will also be receiving a hard copy of the papers. If you chose to do an electronic markup please email your edits to myself, Mike Cupertino, and David LaCour. If you choose to do hard copy markup please email the three of us and someone will come down to retrieve your edits.

Thank you for your review,

Stephan
