Stand by -- have a response ready but just want to triple-check that ATF and USAO are both OK with it.

Gary,

To follow up on our conversation of Friday morning, prior to the Senate staff briefing on Thursday,

DP

From talking to Jason, my understanding is that Jason and the ATF reps. provided a tutorial of sorts on how cases against sophisticated gun trafficking organizations like the one in AZ are built. They walked the staffers through the kind of tactical and investigative judgments involved at each stage of the investigation, drawing an analogy between gun trafficking cases and drug conspiracy cases.

DP

During the Q&A at the briefing, Sen. Grassley's staffers asked a number of specific questions about the AZ investigation, which our folks declined to answer, with one exception. A staffer asked whether as part of the AZ case, ATF ever encouraged a reluctant FFL to continue unlawful sales. Jason and the ATF reps. responded that based on their knowledge of the case, they were unaware of that ever having happened in this investigation.

DP

Best, Lanny
