Talked to wagner.

One thing he most wants us to say, or answer (which is being disputed by Grassley and ATF whistle blower) is this.

◆ In regards to the guns recovered in Rio Rico after the Terry shooting,

ATF

ATF

We've been over this a bunch of times, but Grassley has tried to assert that **ATF** was at least a known entity to the ATF when he made the fateful purchase in Jan., 2010.
