DEA has the pen on drafting that, per my conversation with Sheldon Shoemaker last week. We're looking forward to reviewing the draft and will coordinate the various responses. Thanks. FB

Thanks, Michele. Looping in Faith Burton from OLA. Faith, who should have the pen on the response to Grassley's letter to DEA?

Molly/Matt-need your help. Can you let me know what was decided on the coordinated response for the Grassley letter? My POC Jim Kasson was never contacted to attend any meetings so I don't know what the status is. Thanks much.

Thanks for letting us know, Michele. Matt Axelrod, now in ODAG, is coordinating a meeting tomorrow to discuss a coordinated response by all components to Hill inquiries on Fast + Furious. Please let us know who your POC will be on this so Matt may loop him in. Thanks again.

Fyi, see attached for Senator Grassley request sent yesterday regarding alleged DEA involvement in ATF's OCDETF Case Fast and Furious. We are coordinating with DOJ for guidance on how to respond. We had previously asked our

Phoenix office for a summary of DEA's involvement in this case which I will send you in a separate email.
