Faith,

Good afternoon. I know DOJ currently is evaluating the DEA response letter, but I wanted to call your attention to a hearing that will occur this week on an unrelated topic. A DEA witness will appear before the Senate International Drug Control Caucus, of which Senator Grassley is a co-chair, on Wednesday afternoon. The hearing pertains to emerging drugs—K2/Bath Salts, etc.

Do we anticipate that DEA will be in a position to respond to Senator Grassley prior to the Drug Caucus hearing on Wednesday? Thank you.

Faith,

DEA has revised its draft response to Senator Grassley based on the insight provided by ODAG following the review of the prior draft. We have taken additional steps to ensure accuracy of the response.

Please let me know if DOJ concurs. Thank you.
