Great. I had thought that next Tuesday was more of a general orientation to ATF rather than a substantive meeting on F & F and Gunrunner. I'm happy for it to be both – I just want to make sure there's enough time.

Matt

It's my understanding that your assistant Charles (?) coordinated with Ken's assistant and we are set for Tuesday from 11 to 2. I didn't want to take up any of your time.

That said, I'll give you a call tomorrow to talk about some of the read ahead material that might help orient you to some of the issues at hand.

Matt:

I'd like to pin down a date and time when we can provide you with a complete briefing on Project Gunrunner and Operation Fast and Furious. It's clear that the pace of developments dictates that this happen sooner rather than later. When you have a moment could you give me a call to work out a date?
