Subject: Smith letter response

All,

Thanks for your patience on the response to Congressman Smith. We in ODAG are still working on the letter. No final decision has been made about what the letter will look like, but depending on what folks here decide,

I already

have a draft paragraph to address Question #5, which I've reprinted below, but I'm not sure of the answers to the remaining ones. Could you please send me the relevant information? Thanks. I've attached the incoming letter for ease of reference.
