OCDETF Investigation No. SW-AZ-0496

INSTRUCTIONS

The Interim Report has been developed to capture the ongoing efforts and results of OCDETF investigations and prosecutions. An "Interim Report" must be filed within SIX (6) MONTHS from the date of approval of the investigation as an OCDETF case and then every six (6) months thereafter for the duration of the OCDETF investigation. If a case is placed in "Judicial Pending" status and no additional investigative action or new indictments are expected, an Interim Report need only be filed once to provide information between the case initiation or last date of filing of an Interim Report and the date on which the case was placed in "Judicial Pending" status: thereafter, an Interim Report need not be filed. A pre-populated Interim Report from the OCDETF MIS should be used to file a current report. If some information already has been reported, provide and/or check boxes for new information only, unless otherwise indicated. Please strike through any incorrect information. If any questions in this Report require additional explanation or discussion, please provide as part of the Narrative Section.
