Is that an April Fool's joke? Just kidding. I guess I should. I don't think this issue is going away anytime soon—I should stay in the loop.

Are you out of BB hell? Fast and Furious all the time....just talked to the IG. We are going to have a videoconference on Friday at 1:00 pm. They will give us the parameters of their investigation and what they expect from us. Do you want to be there? Your calendar is clear. I was going to have Pat sit in as well.

Pat is continuing to have very frustrating discussions with Matt Axelrod.
