Sure. I don't see why not. Pat: Any problem moving the folder to the Q drive? Saves space and is easier to give multiple people access.

Can we use the Q:\ drive folder (where we put the emails) for these as well?

Thanks.

Mike and Friends: Issa Subpoena at your service!

These docs are all in Viv's Correspondence Index in hard copy in my office, in my Email Archive which can be intelligently searched, and in the N Drive in the Fast and Furious Folder marked in the file Final Correspondence.

I will give you all access to that N Drive. Enjoy PJC
