I encourage you all to save all of your F&F materials here. Having large files saved in multiple locations is one of the main reasons we experience server space shortages. Also, with so many people working on this, having it one accessible place is best.

OK. The folder has been created and all of you provided permissions. The folder is located @ Q:\Cases\FastandFurious. Viv said she will place the email attachments into the folder. This shared folder will help to reduce duplication and save server storage space.

Thank you all.

Sure. I don't see why not. Pat: Any problem moving the folder to the Q drive? Saves space and is easier to give multiple people access.

Rachel,

Can we use the Q:\ drive folder (where we put the emails) for these as well?

Thanks.

Mike and Friends: Issa Subpoena at your service!

These docs are all in Viv's Correspondence Index in hard copy in my office, in my Email Archive which can be intelligently searched, and in the N Drive in the Fast and Furious Folder marked in the file Final Correspondence.

I will give you all access to that N Drive. Enjoy PJC
