To the extent it's helpful, here is the DOJ letter back to Senator Grassley on Feb. 4 where we expressly raise just such an objection. We raised the same objections with Issa's staff.

Did you catch him saying that Cummings was concerned about the ongoing criminal investigation, but, "as we've been informed repeatedly, that's not one of the objections that's been raised either to Sen. Grassley or to our committee." !!!

And to think that we were so careful to be honest in our response to him.
