Matt: The file is too big to e-mail. I will burn it to disc(s) and have it delivered to you, Molly and Faith this morning. (Ken's detail will bring it to you soon)

This presentation is law enforcement sensitive. It has been used as a teaching tool in LE only classes and conferences. It is not in the public space.

Slides 95 and 96 need to be redacted if it is released as these are case specific to fast and furious.

The password for the disc is

Can you send this document to OLA this morning, along with the cover email we discussed yesterday telling them which pages you believe contain info about ongoing investigations? Thanks.

Matt

Matt,

Just so that we can be ready for the meeting this afternoon--did ATF ever find/email you the document that they thought most closely matched the request for a 200 page presentation?

Thanks,

Molly
