I've asked **Admin. Assistant** to pull together the correspondence, answered and unanswered, on our oversight requests relating to **Unrelated** and Project Gunrunner/Fast & Furious. Regarding the significant outstanding matters, I'll be prepared to report on status and obstacles. FB

Faith, please be prepared to describe the state of play on each of the many ATF and **Unrelated** oversight requests at this meeting tomorrow. If we are encountering obstacles (CRT, ODAG), this is the time to raise them.
