Quick summary: Grassley repeated the allegations he's been making all along; cited the e-mails with the FFL he sent along with last night's letter; said he hasn't sought SJC hearings or subpoenas because that would be duplicative of HOGGR; and that he hasn't yet held up nominations because of this issue, but will if that's what it takes.

While I piece together the informal transcript, here is a video link to Senator Grassley's 12 minute statement on the floor this morning about ATF (the link takes a minute to load).

I will work on the transcript.

Thanks,
