I took Lisa and Stuart off the chain. I think it best if we don't flood their inboxes with the back and forth -- they only need to be looped when OLA/OLC have a joint recommendation on approach/edits.

On the substance, my view is that this letter is about:

I don't think the letter needs changes.

My guess is that they'd like to do both – first a voluntary interview and then a hearing. They have to get his cooperation for the interview and they're using the threat of subpoenaed public testimony or dep to get that.

Are we getting the actual subpoena?

It is certainly surprising that if the staff was seeking to do a voluntary interview, it would seek to compel cooperation by subpoenaing for a public hearing rather than a deposition.

Sorry, just read Matt's email more closely and see that I jumped the gun by circulating my edits to the whole group. I suggest that Faith take the pen now before ODAG reviews my edits.

Thanks, Pat. Also, can you please confirm whether the subpoena is for a hearing or a depo (and the date)?
