Subject: FW: Saturday April 16: Confirming all facts with Gaydos

Fyi, the lawyer's version of events is now different from what it was on Friday. Staff did not threaten a subpoena in an attempt to strong arm the attorney into consenting to an interview -- instead, the attorney was the one who asked staff for a subpoena. The effect on the criminal case remains the same, but the staffers' actions weren't as over the line as we initially believed.

Thanks, Pat. Also, can you please confirm whether the subpoena is for a hearing or a depo (and the date)?
