LAW ENFORCEMENT SENSITIVE

Thanks Matt and welcome all.

ATF is at 99 New York Ave N.E. DC and is across the street from the New York Ave. METRO stop. Metro is the best way, to get here, but if driving is required, let me know and I'll try to arrange parking in our garage. If you drive let me know because you will have problems getting in without prior authorization. Upon arrival please come in the visitor entrance which is well marked out front.

Call me at my office or cell below and I will come down to get you. I will then take you to get your PIV cards authorized for our building and give you the nickel tour. I will have those of our team available tomorrow, available to you when you arrive as well.

If I can be of any further assistance or if you have questions please call or e-mail

Jeff,

As we discussed, the three DOJ folks who will be overseeing the Fast and Furious doc review and production (cc'ed here) will come out to ATF tomorrow morning at 9:30 to get started. Can you let them know the address, the best way to get there, where to go, etc.? Thanks so much.

Matt
