Subject: FW: Issa Letter

Attachment 11 of Issa's letter is redacted reports from ATF case number 785115-10-0020. This was an operation that [ATF] was running. [ATF] got approval from ATF ASAC Needles to allow guns to go to the suspect. The USAO did not approve this investigation. The reports are not part of Fast and Furious (#785115-10-0004).

Once again they are attaching [ATF] ROI where [ATF] lets guns walk directly to the bad guy. The redacted ROIs are not from F&F.
