Faith,

I have hard copies of the two complete OCDETF docs. I'll put them on my desk chair if you want them. They'll need to be scanned and substituted for the �abridged� versions that Molly scanned. One of the two is stamped �Draft� - we'll see if Jim Dinan can locate the finalized version.

Jim,

OLA is working to make documents available to congressional staff today that are responsive to Chairman Issa's subpoena concerning Operation Fast and Furious and Project Gunrunner.   **DP**

DP Sorry for the short timeframe, but if you could let Faith and me know as soon as possible whether you have any objection, we'd really appreciate it. Thanks, Jim.
