Subject: ATF Meeting/Briefing Request

Ron and Mark,

Per our May 3, 2011, to the Attorney General on the ATF and Operation Gunrunner/Fast and Furious we have begun conducting oversight on the ATF and its firearms-related law enforcement activities. Accordingly, we'd like to request two meetings/briefings. First, we understand that Associate Deputy Attorney General Matt Axelrod is now the point person for the Department on Operation Gunrunner and Fast and Furious. We would like to schedule a meeting with Mr. Axelrod to discuss these issues. Second, we would like to schedule a briefing with Acting ATF Director Ken Melson in order to better understand ATF's senior management, as well as his approach to managing the agency and its operations. We will certainly want to talk to additional folks at the ATF, but we wish to start with the Acting Director.

Feel free to call me at your convenience if you would like to discuss any of this.

Thanks,

Crystal
