We have two letters from Congress that OLA has prepared responses for:

1. A response to Chairman Issa's letter of May 5, 2011 concerning overredaction of documents; and
2. A response to Senator Grassley's letters of March 4, 2011 and March 28, 2011 re the murder of Agent Zapata.

I've attached the incoming letters and the draft responses. [REDACTED] Senator Grassley's staff has pinged Faith a number of times (including again today) asking when we are going to respond to his March 4 and March 28 letters.

Matt
