By the way, I did not mean to get this deeply into this topic with Dennis---my primary reason for calling him was to talk about Fast and Furious as a follow-up to what he said to me at the AGAC meeting. I will drop out of these discussion on the SW Border trip at this point.

Gary

FYI, Burke sent this to me last night. He is in quite an advocacy mode. Gary

Unrelated

Gary --

Here is a draft agenda for Tucson/Nogales
