We have one in ODAG too. I think it best if each component handles their own requests in the normal course. I will reach out to the FOIA office to make sure they're aware of the various requests.

Folks should also be aware that we have two FOIA requests in OPA, one for info on investigation on Hall's murder and one for any communication regarding Sharyl Attkisson, both from her.

We are gathering relevant docs.

Subject: FW: CRM AAG Documents Search Request for FOIA from S. Attkisson/CBS News

Matt,

The FOIA office has passed along the attached FOIA request to DOJ from CBS News reporter Sharyl Attkisson (the reporter working on "Fast and Furious"). The request asks for documents involving "Project Gunrunner" (as opposed to Fast and Furious). We thought you would want a heads up about this. Unless ODAG prefers to take the lead on this given its nature, we are happy to handle it – just let me know how you would like to proceed.

Hope all is well,
Adam
