But I need to go back and pull for you items that he already had ... tomorrow ok?
B.

I've now double- and triple-checked everything that's ever come into the AG's Suggestion Box. You have it all. I'm 99.99% confident that nothing beyond what you have seen came from ATF employees or mentioned problems with Fast & Furious, gunrunning, or Agents Newell & Gillett. Hope this helps. Let me know if I can do anything else.

Best,
Beverley
