Matt:

Office of International Affairs has apparently received an MLAT from Mexico re: F&F. We don't have it here. I have copied the initial e-mail below. Are you aware of this?

Subject: Formal MLAT request from MX related to Fast and Furious

Hi ATF— Molly asked me to inform you that we received a formal mutual legal assistance request from Mexico related to Op. Fast and Furious. The request cites numerous news reports related to the Op. and is very broad in scope. In essence, it asks for everything we have related to the Op. and access to numerous individuals to question them about the Op. We'll be in touch again once we have a chance to study the request further so that we can discuss a possible response. We won't respond until we've had a chance to discuss our planned response with you.

All the best,

Jerry McMillen
