Hi Matt – Here's the English and Spanish versions of the MLAT request. We'll, of course, coordinate our response through you.

Thanks, Mary. That would be great. If anything else comes up involving Fast and Furious, please loop me in on that as well.

Matt,

Will do. I am copying Jerry McMillen and Molly Warlow on this email. I was made aware of the MLAT request from

Mexico earlier this week. No response to Mexico has been provided on this and OIA and CRM will make sure to coordinate any response, even if it is an acknowledgement of receipt with you and ATF.

Matt:

Office of International Affairs has apparently received an MLAT from Mexico re: F&F. We don't have it here. I have copied the initial e-mail below. Are you aware of this?

Subject: Formal MLAT request from MX related to Fast and Furious

Hi [redacted] - Molly asked me to inform you that we received a formal mutual legal assistance request from Mexico related to Op. Fast and Furious. The request cites numerous news reports related to the Op. and is very broad in scope. In essence, it asks for everything we have related to the Op. and access to numerous individuals to question them about the Op. We'll be in touch again once we have a chance to study the request further so that we can discuss a possible response. We won't respond until we've had a chance to discuss our planned response with you.
