Please provide any edits to the attached qfrs to the Attorney General by **cob this Thursday, May 19**. There is always a very short deadline for approps qfrs, unfortunately, and DP Because the portfolios have shifted in ODAG recently, I'd very much appreciate it if you could also take a look at the assignments below and let me know ASAP if you think they have been mis-assigned. Please note that the numbering is a bit odd this time around; references below are to the numbering in parentheses at the start of the question. (Some numbers have also been skipped and will be sent later; I believe we will receive the rest of the qfrs soon.) Finally, as always, please cc: Eric on your responses so we can both keep track.

Thanks in advance,

Charlotte
