Molly Admin. Assistant

Can one of you send me the final, redacted, Bate numbered versions of the OCDETF reports and Melson briefing books that we're going to be making available to staff? Thanks so much.

Matt

Pat and ATF

Haven't heard back from you on the OCDETF reports yet. If possible, could you please try to let Faith and me know today whether you're okay with the proposed redactions? Thanks.

Pat ATF

Attached are two OCDETF reports responsive to Committee staff's request for all Fast and Furious OCDETF reports submitted during 2010. (Staff technically asked for all OCDETF reports authored by Bill Newell, but we plan to provide all 2010 reports regardless of author). As you recently did with the Melson briefing books, can you please let Faith know whether the release of these docs to the Committee would compromise the investigation/prosecution or would otherwise reveal sensitive information that cannot be disclosed? Thanks. You'll see some places, marked in red, that are proposed for redaction. If there are places marked for redaction that you think don't need to be, please let Faith know. Similarly, if there are places not marked for redaction that you think absolutely need to be, please let her know that as well. Thanks.

Matt
