Subject: Tomorrow 's HJC briefing re Project Gunrunner and Fast & Furious

Spoke briefing with HJC majority counsel to make sure that we're on the same page for tomorrow. She said that, with regard to PG and F & F, they want to know the **who, what, when, where, and why** - which sounds like the basic description of these two matters, how/when/why they originated, how they've developed, issues we've faced, etc - all of which I'm sure both of you know. We're meeting in the Member's Lounge in the HJC space in the Rayburn building - so expect it will be a more informal meeting - around a table. I've arranged for a car at 2:15 with a return at 4 pm, which we can move if we finish early. Please let me know if we need to do anything further to prepare. Thanks. FB
