Dennis and Ann:

Jonell will advise us of the arraignment date and time, and will confirm the precise number of guns tied to F and F as OLA will be giving that number to Congress.

I will propose to DC this plan:

Hi, there -

The return on my superseding indictment was done yesterday afternoon. I am awaiting notification on the arraignment date. Robbie has a draft press release that we are working on. Once I find out the arraignment date, I will let you know immediately. My case is still under seal, but my plan is to unseal at arraignment.

Also, I thought 50 of the guns were connected to F & F, not 46. I will check with the ATF agent working on my case to confirm that.

Thanks,
Jonell

Jonell: When is the arraignment date on which we intend to issue our press release? Congress is calling! Thanks. PJC

Can you please confirm whether Phoenix DEA seized 50 to 60 AK-47s that are ATF Operation Fast and Furious guns? Please advise.

Thanks,

Brian
