Yes. I asked the FOIA folks at Main coordinate with all the FOIA folks at the different components on these requests in order to ensure consistency among components and to ensure that materials get vetted with the equity holders (which for much of the stuff will be the USAO and ATF) prior to release.

Principal FOIA contacts:

Recently, requests have been made to multiple components for certain records pertaining to Project Gunrunner, an ATF initiative. I am coordinating the requests for the Department. If your component has received requests pertaining to the topics listed below, you should contact me directly before proceeding, and as soon as possible. Relevant topics include "Guns," "Mexico," "Fast and Furious," "Gun Runner," and "Gun Walking." Similarly, you should contact me if you receive a request from Sharyl Attkisson, or if you are unsure as to whether a request pertains to the relevant subject matter.

After you contact me, and if we determine that a particular request in fact pertains to the subject matter at issue, I will provide you with additional guidance.

Thank you,

Patrick DeKlotz
