8. I forwarded you in another email a short update from John Buretta on BP. Sounds like things are going well.
9. Ken Gonzalez would like you to come to New Mexico for a violent crime event on June 23, but right now, it looks like you are out of the office on a personal matter that day. I told them I'd get back to them next week,
10. Zapata – the agents have all been interviewed by OIG, so they are all set to return to Mexico.
