Also attached please find our proposed agenda for Mondays meeting with the DAG. I should also be delivering to you later today a copy of our Internal Communications Opportunities Memo for the DAG wherein we discuss the options available to employees for raising concerns and the fact that our search of these mechanisms is negative with respect to complaints about Fast and Furious.

I will also be getting to you some information on Budget implications relating to Southwest Border and ESF-13.

Both of these items were requested by the DAG in our May 5, 2011 Monthly meeting.
