It has been almost two months since the March 28 letter regarding ICE Agent Jaime Zapata, and Senator Grassley has literally

received *no response* – not just an unresponsive letter, but no response at all. The March 28 letter reiterated questions from a March 4 letter. Will Senator Grassley be receiving any response whatsoever?

Thank you,

Or the attached letter from March 28<sup>th</sup>, which added additional questions to the March 4<sup>th</sup> letter?

Will Senator Grassley be receiving any response or documents to his March 4<sup>th</sup> letter besides the March 8<sup>th</sup> letter from the Department of Justice?
