Will you get to the bottom of this with Molly? Thanks. Also, do we have answers to Tristan's questions of when it was promulgated and who approved it?

Hey [REDACTED]

I know you said in the call the other day that we were likely coming to resolution on this—can you please call me about this and something else I have a question about?

Thanks,
Molly

Molly,

It's been over a month. What is happening with this?

Thanks, Tristan. My understanding is that the document may not be purely policy, and may contain some sensitive law enforcement information, but I'm checking on it and will get back to you when I know more.

Molly,

I just got off the phone with Joe Kennedy in ATF congressional affairs. He suggested that I needed to put in writing to you the request for a copy of ATF Order 3310.4b. This seemed like a very easy request, since this doesn't relate to any specific factual circumstances arising from Fast & Furious. My understanding is that the directive is purely a policy document that applies to all of ATF. Will you give us a copy of it? Also, when was it promulgated, and who approved it?

Cordially,
