Yes, I spoke with Beverley and had asked her to search for anything ATF- or Fast and Furious-related. She gave me a set of documents that included the incoming suggestion and DOJ's response. I don't believe that what she gave me includes 2011 though. If any of the reviewers come across any additional ATF- or Fast and Furious-related items, I'd appreciate it if they could send a copy to me. Thanks.

Matt

Matt already has many of the suggestions/comments relating to ATF.

Subject: AG Suggestion Box

As you probably know, the AG has an email suggestion box. Each month a notebook is prepared with the previous month's suggestions and the responses sent. Prior to my time, Kevin Ohlson would look at the notebooks, place stickers on the ones that he wanted to make sure the AG would read and then submit the notebook to the AG.

Unfortunately, I have not been able to keep up with this review. Jenny has January and I am almost finished reviewing March. I need two volunteers, one for February and one for April, to conduct this review so we don't get any further behind. We do need to be attentive to suggestions that may be important to any pending issue or matter. For example, there were a number of suggestions that have come in relating to the ATF issues that we may want to deliver to Matt Axelrod in ODAG.

For those that don't volunteer now, I will be distributing for each month one notebook to one of you. This means that, at most, you will have to review two notebooks during a calendar year.

Thanks very much for your help on this. Let me know if you want February or April.

Gary
