Subject: Draft Responses to AG's QFRs from May 4, 2011 SJC oversight hearing

Importance: High

Below please find the list of components assigned to draft responses for the post hearing Questions for the Record (QFRs) that we recently received from the Senate Judiciary Committee, arising from the Attorney General's appearance before the Committee on May 4, 2011.

- 1) Please review the questions assigned to your component and let me know no later than 12:00pm, Friday, May 20th, if you believe any QFRs should be reassigned to another component.
- 2) Please draft responses to all QFRs assigned to your component no later than 12:00pm, Friday, June 3rd, and send those responses in a separate Word document (i.e., cut and paste the assigned QFR(s) into a new Word document and add your responses directly under those questions in 12 point, Times New Roman font) to Doug.Levine@usdoj.gov, Office of Legislative Affairs.

Historically, we have taken a number of months to draft, edit, and clear these QFRs and return them to the Senate and House Judiciary Committees. In an effort to significantly decrease our turnaround time we would appreciate everyone's cooperation in meeting the various deadlines that we set throughout the process. If you know you may not be able to meet a certain deadline please get in touch with Doug Levine or **Admin. Assistant** at OLA. Thank you in advance for your help.
