Pat:

That sounds great! Thanks for working with us on this - we do appreciate it. I can't understand how diversions would make one unavailable to get something done. J My test for when something gets done is whether the item is actually on fire ~ if so, time to get going BUT if it is only simmering, it can wait.

Serra: I have not forgotten and will work on a draft this evening. I have been diverted with matters here (what a poor excuse!). How about a call at 1pm AZ time and 4pm DC time? PJC

Hello Pat,

Just wanted to check in and find out the status of the response for the Fast and Furious QFRs. I don't want to be a pain, but since it is a short week, Friday will be here before we know it. Based on the responses, we might need to work with ATF or other DOJ components to ensure we are all on the same page.

Would you be available for a conference call tomorrow? What time would work for you? We are pretty much available except from 12 to 1 Eastern (9:00 to 10:00 your time) and 1:45 to 3:30 Eastern (10:45 to 12:30 your time) as I will be in the Border Subcommittee Meeting with Dennis. So other than those times, let us know what works best for you.

I hope that all is well and that you were able to enjoy all of your 3 day weekend.
