Subject: F&F/Gunrunner briefings to Congress

ATF

I know you guys are still without electricity today, but when it gets restored, I need a list of all briefings that ATF gave to Congress on Gunrunner or F&F during the time F&F has been an active investigation. For each briefing, I also need to know what ATF said about F&F. So, any briefing books you guys have records of, any notes taken by your Leg Affairs folks, etc. Thanks.
