I commented on the attached versions—Matt, it doesn't look like you missed anything. I've called attention to the one name on p. 4 of Category C because I don't remember seeing it in any indictments, etc.

Is the intent to produce these rather than make them available? If so, does USAO know that in reviewing them?

Molly, did you have any edits to the redactions?

Pat,

The Department is attempting to resolve its dispute with Senator Grassley today over his ability to conduct oversight of Fast and Furious. The attachments consist of docs that we may need to give as part of that resolution. My proposed redactions are visible in red. Please let me know immediately if the provision of any of these docs would compromise your ability to prosecute the indicted case or to continue your ongoing investigation. Also, please let me know if there are any additional redactions that are essential. Thanks.

Matt
