It is just a draft - OLA, everybody, will work on fine tuning that issue – that is what I have been trying to get a chance to talk to you or Pat about – OLA, ODAG overall strategy for this thing.

Hi Dennis –

I am sorry to be such a nag - OLA is really on my back. Is the ODAG privilege review done? That definitely takes priority but if it is complete, can we turn to these QFRs?

Below is the DRAFT response to the Melson QFR. I have not been able to connect with anyone in your office about this task or to relay the OLA guidance on how to go about responding to these.

DP

Thanks –  
Anne

Pat,

The Department is attempting to resolve its dispute with Senator Grassley today over his ability to conduct oversight of Fast and Furious. The attachments consist of docs that we may need to give as part of that resolution. My proposed redactions are visible in red. Please let me know immediately if the provision of any of these docs would compromise your ability to prosecute the indicted case or to continue your ongoing investigation. Also, please let me know if there are any additional redactions that are essential. Thanks.

Matt
