See request below. I assume OLA will lead coordination with Mr. Lindsay? Please let me know if otherwise. Thanks.

Greg,

Per my VM yesterday, we would be interested in taking Deputy Director Hoover up on his offer to set up an ATF briefing on gun trafficking at the SW border. The briefing would be a high-level overview of the scope of the problem that would provide context for the Committee's investigation. The briefing would not delve into any of the policy decisions related to Operation Fast and Furious.

I would like to set up the briefing for early next week. Please contact me at your convenience.

Thank you,

Scott
