Sorry I missed this. I have to run out of the office for about an hour. You around later tonite or tomorrow morning?

Ron did call me back but, we need to be realistic about this. He has ignored everything I have ever asked about this in the past and he refused your demands for him to even call me for several days. There is no plan and there will be no plan as long as OLA is leading this. That's unfair to the AG and DAG, not me.

Thx.
