ATF

As I've mentioned, the Department is attempting to resolve its dispute with Senator Grassley today over his ability to conduct oversight of Fast and Furious. The attachments consist of docs that we may need to give as part of that resolution. Proposed redactions are visible in red. Please let me know immediately if the provision of any of these docs would compromise the ability to prosecute the indicted case or to continue the ongoing investigation. Also, please let me know if there are any additional redactions that are essential. Thanks.
