Subject: Andy Fois --

Following up on our brainstorming this AM, I called Andy Fois. Andy is currently Managing Director of the National Crime Prevention Council and served as AAG for OLA in the early 1990's. He is willing to be of assistance to us in explaining the need for DOJ to protect law enforcement interests in responding to congressional oversight. He will check with his current employer to see if he could testify, if asked, as the minority witness at the "Mort Rosenberg" hearing. But in any event, he is willing to have Tracy give his name to reporters.
