I believe there is a GOM congressional delegation coming to meet with our congress sometime in the next two weeks. An interparliamentary meeting is scheduled on the 15th and F&F will be discussed per the AG's meeting with Marisela on Monday. So that might be it.

Bruce/Amy,

We're hearing rumors that one of the days of hearings next week will involve witnesses from the Mexican government, which strikes me as highly unusual. Have you guys heard anything about this? Can you please try to run this down with your folks in MX to find out whether the rumors have any substance? Thanks, guys.
