Just bring hard copies with you. I guess bring enough copies for him, Castor and any Dem staffers there. Thanks.

Molly,

Do you have a redacted version of the Newell memo that you could email to Ron tonight? We've decided that, based on what was said at the summit meeting this evening, we need to physically produce the doc not just make available. Ron would like to send to Jason tonight if it's possible. I checked with ATF (Chris P.) and they can live with it.
