ATF

I think I found a typo, would you please call me as soon as you can?

Thank you,
Emory

and Friends: I just realized this morning that this spreadsheet does not have a column for the ROI that documents the information of the sale for our future reference. My bad! Can you add the ROI and just insert that information for the entries that you have not yet completed? Please do not go back to the beginning just because I cannot read column headings!

Thanks for all of your work. PJC
