**Subject:** Issa/Fast and Furious Hearings Next Week

Tomorrow we need to discuss what is going on with the hearings scheduled for next week and the possibility that Issa's committee will vote on whether to cite Ken Melson with contempt with respect to the Committee's March 31<sup>st</sup> document subpoena. Finding time tomorrow will be difficult since you have a very full schedule. Since the BOP Director meeting scheduled for 10:30 is no longer necessary, we can try to schedule this meeting at that time.
